FORWARD-LOOKING STATEMENTS

Certain statements contained in this Circular contain forward-looking statements or information (collectively "**forward-looking statements**"). The Corporation is hereby providing cautionary statements identifying important factors that could cause the actual results to differ materially from those projected in the forward-looking statements. Any statements that express, or involve discussions as to, expectations, beliefs, plans, objectives, assumptions or future events or performance (often, but not always, through the use of words or phrases such as "may", "is expected to", "anticipates", "estimates", "intends", "plans", "projection", "could", "vision", "goals", "objective" and "outlook") are not historical facts and may be forward-looking and may involve estimates, assumptions and uncertainties which could cause actual results or outcomes to differ materially from those expressed in the forward-looking statements. In making these forward-looking statements, the Corporation has assumed that the current market will continue and grow and that the risks listed below will not adversely impact the business of the Corporation.

By their nature, forward-looking statements involve numerous assumptions, inherent risks and uncertainties, both general and specific, which contribute to the possibility that the predicted outcomes may not occur or may be delayed. The risks, uncertainties and other factors, many of which are beyond the control of the Corporation, that could influence actual results include, but are not limited to: limited operating history; exploration, development and operating risks; regulatory risks; financing risks and dilution to shareholders; competition; reliance on management and dependence on key personnel; fluctuating mineral prices and marketability of minerals; title to properties; local resident concerns; environmental risks; governmental regulations, processing licenses and permits; conflicts of interest of management; uninsurable risks; exposure to potential litigation; and other factors beyond the control of the Corporation.

Further, any forward-looking statement speaks only as of the date on which such statement is made, and, except as required by applicable law, the Corporation does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events. New factors emerge from time-to-time, and it is not possible for management to predict all such factors and to assess in advance the impact of each such factor on the business of the Corporation or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statement.

DATE

Except as otherwise indicated in this Circular, all information disclosed in this Circular is as of May 15, 2017.

THIS MANAGEMENT INFORMATION CIRCULAR (THE CIRCULAR) IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF SPACKMAN EQUITIES GROUP INC. (THE CORPORATION) OF PROXIES TO BE USED AT THE ANNUAL GENERAL AND SPECIAL MEETING (THE MEETING) OF SHAREHOLDERS OF THE CORPORATION (THE SHAREHOLDERS) TO BE HELD AT THE TIME AND PLACE AND FOR THE PURPOSES SET FORTH IN THE ACCOMPANYING NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS (THE NOTICE) AND AT ANY ADJOURNMENT THEREOF.

It is expected that the solicitation will be made primarily by mail. However, officers of the Corporation may also solicit proxies by telephone, facsimile, e-mail or in person. The total cost of solicitation of proxies will be borne by the Corporation.

Unless otherwise specified, all financial amounts shown represent Canadian dollars.

APPOINTMENT, REVOCATION AND DEPOSIT OF PROXIES

The persons named in the enclosed forms of proxy are directors and/or officers of the Corporation who have been selected by the directors of the Corporation and have indicated their willingness to represent as proxies the Shareholders who appoint them.

A SHAREHOLDER HAS THE RIGHT TO APPOINT AS HIS OR HER PROXY A PERSON OR COMPANY, WHO NEED NOT BE A SHAREHOLDER, OTHER THAN THOSE WHOSE NAMES ARE PRINTED ON THE ACCOMPANYING FORMS OF PROXY. A SHAREHOLDER WHO WISHES TO APPOINT SOME OTHER PERSON OR COMPANY TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO EITHER BY CLEARLY INSERTING SUCH OTHER PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORMS OF PROXY AND SIGNING THE FORM OF PROXY, OR BY COMPLETING AND SIGNING ANOTHER PROPER FORM OF PROXY.

Proxies to be used at the Meeting must be deposited with Computershare Trust Company of Canada at 100 University Avenue, Toronto ON M5J 2X1 at least 48 hours (excluding Saturdays, Sundays and holidays) prior to the Meeting or at any adjournment thereof. A Shareholder who has given a proxy may revoke it, as to any motion on which a vote has not already been cast pursuant to the authority conferred by it, by an instrument in writing executed by the Shareholder or by the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The revocation of a proxy, in order to be acted upon, must be deposited with Computershare Trust Company of Canada at 100 University Avenue, Toronto ON M5J 2X1 prior to 5:00 p.m. on the last business day immediately preceding the Meeting or with the chairman of the Meeting before the commencement of the Meeting or at any adjournment thereof. A proxy may also be revoked in any other manner permitted by law.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of an unlimited number of common shares (**Common Shares**) of which, as of the date of this Circular, 148,900,183 Common Shares of the Corporation are issued and outstanding.

Common Shares

The holders of Common Shares are entitled to dividends, if, as and when declared by the board of directors of the Corporation (the **Board**), to receive notice of and to vote at meetings of the Shareholders of the Corporation on the basis of one vote per Common Share and, upon liquidation, to share equally in such assets of the Corporation as are distributed to the holders of Common Shares. There are no pre-emptive, redemption, purchase or conversion rights attached to Common Shares.

The Corporation has fixed May 11, 2017 as the record date (the **Record Date**) for the purpose of determining Shareholders entitled to receive notice of the Meeting. Pursuant to the *Canada Business Corporations Act* (the **CBCA**), the Corporation is required to prepare, no later than ten days after the Record Date, an alphabetical list of Shareholders entitled to vote as of the Record Date that shows the number of shares held by each Shareholder. A Shareholder whose name appears on the list referred to above is entitled to vote the shares shown opposite his or her name at the Meeting.

As of the date hereof, the directors and officers of the Corporation own or control, directly or indirectly, in the aggregate, 9,693,047 Common Shares of the Corporation, representing 6.5% of the issued and outstanding Common Shares.

To the knowledge of the directors and executive officers of the Corporation, as of the Record Date, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities carrying ten percent (10%) or more of the voting rights attached to any class of voting security of the Corporation.

MANNER OF VOTING AND EXERCISE OF DISCRETION BY PROXIES

The persons named in the enclosed form of proxy for Common Shares will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them and, if the Shareholder clearly specifies a choice with respect to any matter to be acted upon, the Common Shares shall be voted accordingly.

WHERE NO CHOICE IS SPECIFIED, THE PROXY WILL CONFER DISCRETIONARY AUTHORITY AND WILL BE VOTED IN FAVOUR OF THE MATTERS IDENTIFIED IN THE NOTICE AND DESCRIBED IN THIS CIRCULAR. THE ENCLOSED FORM OF PROXY FOR COMMON SHARES ALSO CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE WITH RESPECT TO ANY AMENDMENTS OR VARIATIONS TO THE MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING IN SUCH MANNER AS SUCH NOMINEE IN HIS JUDGMENT MAY DETERMINE. AS OF THE DATE OF THIS CIRCULAR, MANAGEMENT OF THE CORPORATION KNOWS OF NO SUCH AMENDMENTS, VARIATIONS OR OTHER MATTERS TO COME BEFORE THE MEETING OTHER THAN THE MATTERS REFERRED TO IN THE NOTICE.

NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Corporation are “non-registered” shareholders because the Common Shares of the Corporation they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the common shares. A person is not a registered shareholder (a **Non-Registered Shareholder**) in respect of Common Shares which are held either: (a) in the name of an intermediary (an **Intermediary**) that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (**CDS**)), of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “NOBOs”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as “OBOs”. In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators, the Corporation has elected to send the Notice, this Circular and the forms of proxy (the **meeting materials**) directly to the NOBOs, and indirectly through Intermediaries to the OBOs. The Intermediaries (or their service companies) are responsible for forwarding the meeting materials to each OBO, unless the OBO has waived the right to receive them. The Corporation will not pay for the Intermediaries to deliver the meeting materials to each OBO.

Intermediaries will frequently use service companies to forward the meeting materials to the OBOs. Generally, an OBO who has not waived the right to receive meeting materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of common shares beneficially owned by the OBO and must be completed, but not signed, by the OBO and deposited with Computershare Trust Company of Canada; or
- (b) more typically, be given a voting instruction form (**VIF**) which is not signed by the Intermediary, and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow.

These securityholder materials are being sent to both registered shareholders and Non-Registered Holders. If you are a Non-Registered Holder, and the Corporation or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The meeting materials sent to NOBOs who have not waived the right to receive meeting materials are accompanied by a VIF, instead of a form of proxy. By returning the VIF in accordance with the instructions noted on it, a NOBO is able to instruct the voting of the Common Shares owned by it.

VIFs, whether provided by the Corporation or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Non-Registered Holder may simply clearly print the name of the person to attend the Meeting in the space provided for this purpose on the VIF and a legal form of proxy will be sent to the Non-Registered Holder which will grant the Non-Registered Holder's appointee the right to attend the Meeting and vote in person.

If you receive a VIF, please return your voting instructions as specified in the VIF. Non-Registered Holders who receive a VIF should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

All references to Shareholders in this Circular and the accompanying form of proxy and Notice are to Shareholders of record on the Record Date unless specifically stated otherwise.

AUDIT COMMITTEE

The Audit Committee's role is to assist the Board in promoting and improving the credibility and objectivity of financial reports. The Audit Committee oversees the accounting and financial reporting processes of the Corporation including its management reporting and internal control procedures and systems, and reviews and recommends for approval by the board disclosure relating to financial matters. The Audit Committee manages the relationship between the Corporation and its external auditors by overseeing the work of the external auditors and by making recommendations to the Board on the engagement, remuneration and termination of the external auditors based on its evaluation of their performance. A copy of the Audit Committee Charter is attached as Appendix "C".

The Audit Committee currently consists of Douglas Babcook, William Hale and Charles Spackman. Douglas Babcook and William Hale qualify as independent directors in accordance with Multilateral

Instrument 52-110 – Audit Committees. For the purposes of this discussion, an independent director is a director who has no direct or indirect material relationship with the Corporation.

The Audit Committee met once in person in 2016 to approve the annual audited financial statements of the Corporation. The interim financial statements of the Corporation in 2016 were approved by the Audit Committee by means of signed resolutions.

Relevant Education and Experience

All members of the Audit Committee have the education and/or practical experience required to understand and evaluate financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Corporation's financial statements.

Additional information on the educational background and experience of the Audit Committee members may be found under "Proposed Directors and Officers of the Corporation".

Audit Committee Oversight

At no time since the commencement of the Corporation's most recently completed financial year has any recommendation of the Audit Committee respecting the appointment/and/or compensation of the Corporation's external auditors not been adopted by the Board.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation's most recently completed financial year has the Corporation relied on exemptions in relation to "De Minimus Non-Audit Services" or any exemption provided by Part 8 of NI- 52-110.

External Audit Service Fees

Audit Fees – The Corporation expects that the external auditors audit fees for the financial year ended December 31, 2016 will be approximately \$25,000 and the Corporation's external auditors have billed the Corporation \$43,000 for audit fees for the financial year ended December 31, 2015.

Tax Fees – The Corporation's external auditors billed the Corporation nil for the financial years ended December 31, 2016 and December 31, 2015 for services related to tax compliance, tax advice and tax planning.

All Other Fees – The Corporation's external auditors billed the Corporation nil for the financial years ended December 31, 2016 and December 31, 2015, for services other than those reported above.

CORPORATE GOVERNANCE

On June 30, 2005, the Canadian Securities Administrators ("**CSA**") enacted National Policy 58-201 Corporate Governance Guidelines (the "**Governance Policy**") and National Instrument 58-101 – Disclosure of Corporate Governance Practices ("**NI 58-101**"). The Governance Policy provides guidelines on corporate governance practices while NI 58-101 requires Canadian reporting issuer corporations to disclose their corporate governance practices in accordance with the disclosure items set out in Form 58-101F1.

The Corporation has reviewed its own corporate governance practices in light of the guidelines contained in the Governance Policy. The Corporation's practices comply generally with the guidelines, however, the current directors of the Corporation consider that some of the guidelines are not suitable for the Corporation at its current state of development and therefore the Corporation's governance practices do

not reflect these particular guidelines. Given that the Corporation is a relatively small corporation in terms of both activities and market capitalization, the directors of the Corporation believe that the current governance structure is cost-effective and appropriate for the needs of the Shareholders.

Set out below is a description of the Corporation's corporate governance practices as required to be disclosed by NI 58-101.

Board of Directors

The Board currently consists of six directors, two of whom, Douglas Babcock and William Hale are independent. The other directors are Charles Spackman, Chairman and Chief Executive Officer, John Pennal, Vice-President, Richard Lee and Martin Mohabeer. Mr. Lee and Mr. Mohabeer may not be considered to be independent because they are senior officers of companies which may be considered to be associated or affiliated with the Corporation.

It is intended to elect six directors at the next annual meeting of shareholders to be held on June 15, 2017 of whom two directors will be independent.

Directors are expected to attend Board meetings and meetings of committees on which they serve and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. In 2016, the Board met once in person and each director was in attendance for such meeting. The Board conducted the remainder of its business in 2016 by means of signed resolutions.

Board Mandate

The Board has adopted a detailed Board Mandate and Governance Guidelines policy which provides that the Board is responsible for the stewardship of the Corporation and management is responsible for the day-to-day operation of the Corporation. Under the Governance Policy, the Board's mandate is to enhance long-term value for shareholders of the Corporation.

Position Description

Because the Board is a small, working board, it has not developed written position descriptions and does not have a process for assessing the performance of the directors nor the chair of the Board committees.

The Chief Executive Officer of the Corporation is responsible for the general management of the day-to-day affairs of the Corporation within the guidelines established by the Board, consistent with decisions requiring prior approval of the Board and the Board's expectations of the Chief Executive Officer. The Chief Executive Officer also provides advice and services to the Corporation's investees in order to foster the development, growth and value of the Corporation's investment in these companies.

Orientation and Continuing Education

All of the current directors are intimately familiar with the Corporation's activities. New directors will be oriented on an informal basis.

Ethical Business Conduct

The Board has adopted a written Code of Ethical Conduct and Business Practices (the "**Code**") to ensure that the Corporation's directors, officers and employees act in accordance with applicable laws and observe the highest ethical standards in their business relationships. The Code imposes on every director, officer and employee of the Corporation the responsibility to create and maintain a fair, honest and professional workplace. Given the relatively small size of the Corporation, the Board as a whole is responsible for monitoring and ensuring compliance with the Code. However, the independent directors of the Corporation are encouraged to take a leading role in this process.

A copy of the Code may be obtained by written request to the Corporate Secretary, Spackman Equities Group Inc., Suite 3800, Royal Bank Plaza, South Tower, 200 Bay Street, P.O. Box 84, Toronto, Ontario, M5J 2Z4.

Nomination of Directors

The Board does not have a nominating committee given the size of the Corporation. Instead, the Board works together as a whole to identify new candidates for nomination.

Assessments

The Board does not regularly make formal assessments of the Board, its committees and its individual directors, owing to the size and composition of the Board. As a small working board, the Board as a whole satisfies itself on an informal basis, from time-to-time, that the Board, its committees, and its individual directors are performing effectively.

Composition of the Compensation Committee

Owing to the size of the Board and the fact that there are only three executive officers the Board does not have a Compensation Committee. The independent directors on the Board deal with compensation issues as and when required.

Corporate Governance Committee

The Board does not have a Corporate Governance Committee, owing to the size and composition of the Board. The Board as a whole is responsible for matters of corporate governance and for the disclosure of the Corporation's corporate governance practices in accordance with NI 58-101 and other legal and regulatory requirements.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The two independent directors on the Board, Douglas Babcock and William Hale have responsibility for reviewing and approving matters related to the Chief Executive Officer and Chief Financial Officer including strategic direction, effectiveness of management, compensation, succession planning, and assessment of leadership. They may retain independent compensation consultants to assist in their assessment of executive compensation of the Chief Executive Officer and the Chief Financial Officer. They may also request management to undertake studies and report on areas of interest, and may retain such other consultants as they deem appropriate.

Compensation Philosophy and Objectives

The executive compensation program is designed to fairly compensate and motivate the senior executives of the Corporation. The Board's philosophy is to competitively compensate the senior executives for total performance and contribution to the Corporation's success. Consistent with the philosophy, a portion of the Chief Executive Officer's compensation is performance based and dependent on the Corporation achieving financial and other corporate performance targets as well as individual performance factors.

The integrated compensation program is designed to provide a total rewards approach to compensation based on the principles of competitive compensation, rewarding performance, and share ownership and shareholder alignment.

Major Components of the Compensation Program for Senior Executives

The major components of the compensation program for the Chief Executive Officer are:

- Base salary paid by the Corporation;
- Short term cash incentives paid by the Corporation;
- Long term incentives through stock options awarded by the Corporation; and
- Long term incentives through performance based compensation paid by the Corporation.

The above compensation components are assessed and determined by the two independent directors after taking into account: (i) any remuneration received by the Chief Executive Officer for services provided to any of the Corporation's investees; and (ii) after giving due consideration to the fact that, due to the relatively few number of employees and the relatively small size of the Corporation, the Chief Executive is required to perform many of the duties and responsibilities normally performed by other members of management.

Base Salary

The amount of the annual base salary is reviewed each year by the independent directors. The base salary for the Chief Executive Officer was determined by reference to individual performance, contribution and value. Effective October 31, 2011, the annual base salary of the Chief Executive Officer was fixed at US \$120,000 and it has remained at such amount throughout 2016.

The position of Vice-President is a part time position. Effective October 31, 2011, the annual salary for the Vice-President was fixed at \$60,000 and it has remained at such amount throughout 2016.

The position of Chief Financial Officer is a part time position. Effective July 1, 2014, the compensation of the Chief Financial Officer was fixed at US \$24,000 per year and it has remained at such amount throughout 2016.

Short Term Incentives

No short term incentive payments were awarded or paid to the Chief Executive Officer or any other executive officer in 2016.

Long Term Incentives

Long term incentive compensation for the Chief Executive Officer is comprised of (i) an entitlement to stock options equal to 5% of the total number of shares outstanding from time to time and (ii) as performance based compensation, an entitlement to 15% of any investment proceeds received by the Corporation in excess of the initial costs of investment resulting from the disposition of any current or future investment by the Corporation.

No long term incentive payments were made to the Chief Executive Officer or any other executive officer in 2016. In February, 2017 the Chief Executive Officer was paid \$53,017 representing 15% of the profit of \$353,447 made by the Corporation on the sale of 2,500,000 shares of Spackman Entertainment Group Limited in the 30 days prior to that date.

3.2 ELIGIBILITY

Eligible Persons are eligible to participate in the Plan, provided that eligibility to participate does not confer upon any Eligible Person any right to be granted Options pursuant to the Plan. The extent to which any Eligible Person is entitled to be granted Options pursuant to the Plan will be determined in the sole and absolute discretion of the Board. An Eligible Person may receive Options on more than one occasion and may receive separate Options, with differing terms, on any one or more occasions.

3.3 SHARES RESERVED UNDER THE PLAN

(a) The maximum number of Shares reserved for issuance under the Plan and all of the Corporation's other security based compensation arrangements at any given time is equal to 10% of the issued and outstanding Shares as at the date of grant of an Option under the Plan, subject to adjustment or increase of such number pursuant to Section 4.13. The Plan is an "evergreen" plan. Any Shares subject to an Option which has been granted under the Plan, and which has been cancelled, expired or terminated in accordance with the terms of the Plan, without having been exercised, will again be available under the Plan. Any increase in the issued and outstanding Shares will result in an increase in the available number of Shares issuable under the Plan, and any exercises of Options will make new grants available under the Plan, effectively resulting in a re-loading of the number of Options available to grant under the Plan.

(b) The aggregate number of Shares reserved for issuance pursuant to Options granted to any one person within any twelve (12) month period shall not exceed 5% of the issued and outstanding Shares at the time of the grant of the Option unless the Corporation has received Disinterested Shareholder Approval in accordance with the policies of the Exchange.

(c) Notwithstanding the foregoing, but subject to the limit set forth in Subsection 3.3(a) above: (i) no more than 2% of the issued and outstanding Shares may be granted to any one Consultant in any twelve (12) month period, calculated at the date the Option is granted; and (ii) no more than an aggregate of 2% of the issued and outstanding Shares may be granted to all Employees conducting investor relations activities in any twelve (12) month period, calculated at the date the Option is granted.

3.4 INCORPORATION OF TERMS OF PLAN

Subject to specific variations approved by the Board, all terms and conditions set out in the Plan will be deemed to be incorporated into and form part of each Option granted under the Plan.

ARTICLE IV GRANT OF OPTIONS

4.1 GRANT OF OPTIONS

The Board may, from time-to-time, subject to the provisions of the Plan and such other terms and conditions as the Board may prescribe, grant Options to any Eligible Person, provided that the Corporation represents at the time of grant that any Eligible Person to which Options are granted are *bona fide* Eligible Persons of the Corporation.

4.2 EXERCISE PRICE

The Board will establish the Exercise Price at the time each Option is granted, provided that the Exercise Price shall not be less than the Discounted Market Price on the date of which the grant of the Option is approved by the Board.

4.3 NUMBER OF SHARES SUBJECT TO OPTION

Subject to the limitations set out in Section 3.3, the number of Shares subject to each Option shall be determined by the Board, and such number shall be set out in the Option Agreement evidencing the grant of such Option.

4.4 EXPIRATION OF OPTIONS

Subject to any accelerated termination as set forth in the Plan, all Options granted pursuant to the Plan will expire on the date (the **Expiry Date**) as determined by the Board at the date of grant, provided that no Option may be exercised beyond five (5) years from the Effective Date.

Notwithstanding the above, if the Expiry Date for any Option falls within a Blackout Period or within 10 business days from the expiration of a Blackout Period (such Options to be referred to as **Restricted Options**), the Expiry Date of such Restricted Options shall be automatically extended to the date that is the 10th business day following the end of the Blackout Period, such 10th business day to be considered the Expiry Date for such Restricted Options for all purposes under the Plan.

4.5 NON-ASSIGNABLE AND NON-TRANSFERABLE

Options shall be non-assignable and non-transferable by a holder thereof (a **Holder**) other than by will or the laws of descent.

4.6 VESTING OF OPTION RIGHTS

The Board may determine when any Option will become exercisable and may determine that the Option will be exercisable in instalments or pursuant to a vesting schedule. Such terms shall be set out in the Option Agreement evidencing the grant of such Option.

4.7 AMENDMENT OF OPTION

The Board may amend the terms of any Option granted in accordance with the Plan, provided that any amendment that reduces the Exercise Price of an Option granted to an Optionee that is an Insider at the time of the proposed amendment shall be subject to Disinterested Shareholder Approval. Notwithstanding the foregoing, the Board shall not reduce the Exercise Price to an amount that is less than the Discounted Market Price at the time the amendment becomes effective.

If the amendment of an Option requires Regulatory Approval and/or shareholder approval (including Disinterested Shareholder Approval, as applicable), such amendment may be made prior to such approvals being given, but no such amended Options may be exercised unless and until such approvals are granted.

4.8 ACCELERATION OF VESTING PERIOD

Subject to the Board determining otherwise, in the event of a Change of Control, all Options outstanding shall be immediately exercisable, notwithstanding any determination of the Board pursuant to Section 4.6, if applicable. Notwithstanding the vesting schedule for an Option, the Board shall have the right with respect to any one or more Optionees in the Plan to accelerate the time at which an Option may be exercised.

4.9 DEATH OR INCAPACITY OF OPTIONEE

In the event of the death or Incapacity of an Optionee:

- (i) the executor or administrator of the Optionee's estate or the Optionee, as the case may be, may exercise any Options of the Optionee to the extent that the Options were exercisable at the date of such death or Incapacity and the right to exercise the Options terminates on the earlier of: (i) the date that is twelve months from the date of the Optionee's death, if the Optionee has died, or thirty (30) days after the six month period referred to in the definition of "Incapacity", in the event of Incapacity; and (ii) the date on which the Exercise Period of the particular Option expires. Any Options held by the Optionee that were not exercisable at the date of death or Incapacity immediately expire and are cancelled on such date; and
- (ii) such Optionee's eligibility to receive further grants of Options under the Plan ceases as of the date of the Optionee's death or Incapacity, as the case may be.

4.10 TERMINATION OF EMPLOYMENT OR CEASE TO HOLD OFFICE

(a) In the event an Optionee's employment or consulting arrangements (or, if applicable, those of its Consulting Company if the Consultant who is an Optionee is an individual) or term of office with the Corporation or an Affiliate ceases by reason of the Optionee's death or Incapacity, then the provisions of Section 4.9 will apply.

(b) In the event an Optionee's employment or term of office with the Corporation or an Affiliate is terminated by the Corporation or an Affiliate for lawful cause, then any Options held by such Optionee, whether or not such Options are exercisable at the applicable Termination Date, immediately expire and are cancelled on the Termination Date at a time determined by the Board, at its discretion.

(c) In the event an Optionee's employment or term of office terminates by reason of: (i) voluntary resignation by such Optionee; (ii) termination by the Corporation or an Affiliate without cause (whether such termination occurs with or without any or adequate reasonable notice or with or without any or adequate compensation in lieu of such reasonable notice); or (iii) the retirement of such Optionee in accordance with the then customary policies and practices of the Corporation in relation to retirement, then any Options held by such Optionee that are exercisable at the Termination Date continue to be exercisable by such Optionee until the earlier of (A) the date that is ninety (90) days from the Termination Date; and (B) the date on which the Exercise Period of the particular Option expires. Any Options held by such Optionee that are not exercisable at the Termination Date immediately expire and are cancelled on the Termination Date.

(d) In the event an Optionee's consulting arrangements (or, if applicable, those of its Consulting Company if the Optionee is an individual) with the Corporation or an Affiliate are terminated by the Corporation or an Affiliate for breach of agreement prior to the expiry of the original term or any subsequent renewal term of such arrangements, then any Options held by the Optionee (or, if applicable, those of its Consulting Company if the Optionee is an individual), whether or not such Options are exercisable at the applicable Termination Date, immediately expire and are cancelled on the Termination Date at a time determined by the Board, at its discretion.

(e) In the event an Optionee's consulting arrangements (or, if applicable, those of its Consulting Company if the Optionee is an individual) with the Corporation or an Affiliate are terminated in circumstances other than those referred to in Section 4.10(d), any Options held by the Optionee that are exercisable at the Termination Date continue to be exercisable by the Optionee until the earlier of: (i) the date that is 90 days from the Termination Date; and (ii) the date on which the Exercise Period of the particular Option expires. Any Options held by the Optionee that are not exercisable at the Termination Date immediately expire and are cancelled upon the Termination Date.

(f) An Optionee's eligibility to receive further grants of Options under the Plan ceases as of the applicable Termination Date.

4.11 DISCRETION TO PERMIT EXERCISE

Notwithstanding the provisions of Sections 4.9 and 4.10, the Board may, in its discretion, at any time prior to or following the events contemplated in such sections and in any Option Agreement, permit the exercise of any or all Options held by the Optionee in the manner and on terms authorized by the Board, provided that: (i) any Options granted to any Optionee which are subject to Section 4.10 shall expire at a time to be determined by the Board following the applicable Termination Date; (ii) subject to an extension pursuant to Section 4.4(b), the Board will not, in any case, authorize the exercise of an Option pursuant to this section beyond the Expiry Date of the particular Option; and (iii) the Board will not, in any case, authorize the exercise of any or all Options of the Optionee on a date that is more than one year after the earlier of: (A) the death or Incapacity of such Optionee; or (B) the Termination Date.

4.12 GENERAL

The existence of any Options does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this section would have an adverse effect on the Plan or any Option granted hereunder, subject to Sections 4.13(a) and 4.13(b).

4.13 ADJUSTMENT

(a) In the event of a subdivision, consolidation or reclassification of Shares or any similar capital reorganization, or any other change to be made in the capitalization of the Corporation including an exchange of Shares for another security of the Corporation that, in the opinion of the Board, acting reasonably and in good faith, would warrant the replacement or amendment of any existing Options in order to adjust:

- (i) the number of Shares or other securities that may be acquired on the exercise of any outstanding Options; or
- (ii) the Exercise Price of any outstanding Options,

in order to preserve proportionately the rights and obligations of the Optionees, the Board will authorize such steps, subject to Regulatory Approval, if required, to be taken as are equitable and appropriate to that end, having regard to the availability of any deduction under the ITA to which the Optionee may be entitled.

(b) In the event of an amalgamation, combination, merger or other reorganization involving the Corporation, by exchange of shares, by sale or lease of assets, or otherwise, that, in the opinion of the Board, acting reasonably and in good faith, warrants the replacement or amendment of any existing Options in order to adjust:

- (i) the number of Shares or other securities that may be acquired on the exercise of any outstanding Options; or
- (ii) the Exercise Price of any outstanding Options,

in order to preserve proportionately the rights and obligations of the Optionees, the Board will authorize such steps, subject to Regulatory Approval, if required, to be taken as are equitable and appropriate to that end, having regard to the availability of any deduction under the ITA to which the Optionee may be entitled.

(c) Except as expressly provided in Subsections 4.13(a) and 4.13(b), neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to: (i) the number of Shares that may be acquired on the exercise of any outstanding Options; or (ii) the Exercise Price of any outstanding Options.

(d) The Corporation will not be required to issue fractional Shares in satisfaction of its obligations hereunder and any fractional interest in a Share that would, except for the provisions of this Section 5.13(d), be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Corporation.

4.14 DISPUTES

If any questions arise at any time with respect to the Exercise Price or number of Optioned Shares or other securities deliverable upon exercise of an Option in any of the events set out in Sections 4.13(a) or 4.13(b), such questions will be conclusively determined by the Corporation's auditors, or, if they decline to so act, any other firm of chartered accountants that the Corporation may designate and who will have access to all appropriate records and such determination will be binding upon the Corporation and all Optionees.

4.15 COMPLIANCE WITH LAW

The Corporation is not obligated to grant any Options, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Board, in its sole discretion, such action would constitute a violation by an Optionee or the Corporation of any provision of any applicable law, including any statutory or regulatory enactment of any government or government agency. Optioned Shares shall not be issued with respect to an Option unless the exercise of such Option and the issuance and delivery of such Optioned Shares shall comply with all relevant provisions of law, including, without limitation, any applicable provincial, state or federal securities laws, and the requirements of the Exchange, and such issuance shall be further subject to the approval of counsel for the Corporation with respect to such compliance. The inability of the Corporation to obtain from any regulatory body the authority deemed by the Corporation to be necessary for the lawful issuance and sale of any Optioned Shares under the Plan, or the inability of the Corporation to lawfully issue, sell, or deliver any Optioned Shares, shall relieve the Corporation of any liability with respect to the non-issuance, sale or delivery of such Optioned Shares.

4.16 SALE OF CORPORATION, ETC.

If the Board at any time by resolution declares it advisable to do so in connection with a Merger and Acquisition Transaction, the Board has the right to provide for the conversion, exchange, replacement or substitution of any outstanding Options into or for options, rights or other securities of similar value of, or the assumption of outstanding Options by any entity or affiliate participating in or resulting from a Merger and Acquisition Transaction. Any such conversion, exchange, replacement, substitution or assumption shall be on such terms as the Board in good faith may consider fair and appropriate in the circumstances. In addition, and notwithstanding this Section 4.16, the Board has the right to determine, at its sole discretion, that (i) any or all Options shall thereupon terminate; provided that only such outstanding Options that have vested shall remain exercisable until consummation of the Merger and Acquisition Transaction; or (i) Options not exercisable may be exercisable in full.

ARTICLE V PROCEDURE

5.1 OPTION COMMITMENT

Upon grant of an Option hereunder to an Optionee, a senior officer of the Corporation designated by the Board will deliver to the Optionee an Option Agreement detailing the terms of the Option.

Upon the occurrence of an event to which Section 4.13(a) or 4.13(b) applies, and upon the surrender by the Optionee of the originally signed Option Agreement to which any Option relates, a senior officer of the Corporation designated by the Board may deliver to any Optionee with respect to any Option, a revised Option Agreement identified as such, with respect to Shares as to which the Option has not been exercised, reflecting the application of Section 4.13(a) or 4.13(b), as applicable, by reason of that event.

5.2 MANNER OF EXERCISE

(a) Options shall be exercisable by the Holder delivering a fully completed Exercise Form to the Corporation specifying the number of Options to be exercised accompanied by payment in full of the aggregate Exercise Price therefor by cash payment, wire transfer or by certified cheque or bank draft payable to the Corporation (in each case in immediately available funds) provided that notwithstanding any other provision of this Plan, the Corporation's obligation to issue Shares to a Holder pursuant to the exercise of an Option or otherwise pay an amount pursuant to the Plan or any Option shall be subject to the satisfaction of all federal, state, provincial, local and foreign tax obligations as may be required by applicable law, including, but not limited to, obligations to make withholdings, deductions or remittances in respect of any taxable benefits of a Holder arising under this Plan or any Option (**tax withholding obligations**) and the Corporation shall have the power and right to:

- (i) deduct or withhold from all amounts payable to a Holder pursuant to this Plan, any Option, or otherwise in the course of the employment of the Optionee in respect of the Option with the Corporation or its Affiliates, and
- (ii) require the Holder to remit to the Corporation an amount sufficient to satisfy in full any tax withholding obligations as may be imposed on the Corporation by applicable law. Further, the Corporation may permit or require the Holder to (A) satisfy, in whole or in part, such deduction or any tax withholding obligation by instructing the Holder to withhold Shares that would otherwise have been received by the Holder upon exercise of any Options, or (B) sell such Shares on behalf of the Holder, and remit the proceeds of such sale to the relevant taxing authority in satisfaction of the tax or withholding obligations.

(b) Subject to the provisions of the Plan and the provisions of the Option Agreement issued to an Optionee, Options which are exercisable may be exercised by means of a fully completed Exercise Form delivered to the Corporation. The Exercise Form must be accompanied by:

- (i) the originally signed Option Agreement with respect to the Option being exercised; and
- (ii) documents containing such representations, warranties, agreements and undertakings, including such as to the Holder's future dealings in such Shares, as counsel to the Corporation reasonably determines to be necessary or advisable in order to comply with or safeguard against the violation of the laws of any jurisdiction.

(c) Upon the Corporation being satisfied that all of the conditions and requirements in this Section have been fully met, the Holder shall be deemed to be a holder of record of the Shares to be

issued pursuant to an exercise of an Option, and thereafter the Corporation shall, within a reasonable amount of time, cause the transfer agent and registrar of the Shares to deliver to the Optionee a certificate or certificates or a statement of account, representing in the aggregate the acquired Shares.

5.3 USE OF AN ADMINISTRATIVE AGENT AND TRUSTEE

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent to administer the Options granted under the Plan and to act as trustee to hold and administer the assets that may be held in respect of Options granted under the Plan, the whole in accordance with the terms and conditions determined by the Board in its sole discretion. In such case, the Corporation and the administrative agent will maintain records showing the number of Options granted to each Optionee under the Plan.

ARTICLE VI GENERAL

6.1 OPTIONEE HAS NO RIGHTS AS A SHAREHOLDER

An Optionee has no rights whatsoever as a shareholder in respect of any of the Optioned Shares (including, without limitation, any right to receive dividends or other distributions therefrom or thereon) other than in respect of Optioned Shares purchased by and fully paid for and issued to the Optionee on exercise of the Option.

6.2 ACCOUNTS AND STATEMENTS

The Corporation will maintain, or cause to be maintained, records indicating the number of Options granted to each Optionee and the number of Optioned Shares issued under the Plan.

6.3 EMPLOYMENT AND SERVICES

Nothing contained in the Plan will confer upon any Optionee (or his Consulting Company) any right with respect to employment, term of office or consulting with the Corporation or an Affiliate, or interfere in any way with the right of the Corporation to terminate the Optionee's employment, term of office or consulting arrangements (or those of his Consulting Company) at any time. If an Optionee's employment, term of office or consulting arrangements (or those of his Consulting Company) with the Corporation or an Affiliate is terminated for any reason, no value will be ascribed to any unvested Options for the purposes of any severance entitlement. Participation in the Plan by an Optionee will be voluntary.

6.4 NOTICE

Each notice, demand or communication required or permitted to be given under the Plan (each, a "Notice") will be in writing and shall be given by personal delivery or by registered mail, postage prepaid, if to the Corporation, at the Corporation's address set out in the Option Agreement, to the attention of the Corporate Secretary, or at such other address as the Corporation may advise an Optionee of, in writing, as being the address for delivery of a Notice to the Corporation, and if to an Optionee, at the most recent residential address for the Optionee shown in the records of the Corporation. All such Notices given as aforesaid shall be deemed to have been received by the recipient when delivered or, if mailed, five days after 12:01 a.m. on the day following the day of the mailing thereof. If any Notice shall have been mailed and if regular mail service shall be interrupted by strikes or other irregularities, such Notice shall be deemed to have been received ten days after 12:01 a.m. on the day following the resumption of normal mail service, provided that during the period that regular mail service shall be interrupted all Notices shall be given by personal delivery.

6.5 AMENDMENT OR TERMINATION OF PLAN

The Board reserves the right, in its absolute discretion, to amend, suspend or terminate the Plan, or any portion thereof, at any time without obtaining the approval of shareholders of the Corporation, subject to those express provisions of applicable law and regulatory requirements (including the express rules, regulations and policies of the Exchange), if any, that require Regulatory Approval and/or the approval of shareholders (including Disinterested Shareholder Approval), as applicable. If this Plan is suspended or terminated, the provisions of this Plan and any administrative guidelines, rules and regulations relating to this Plan shall continue in effect for the duration of such time as any Option remains outstanding.

Subject to Section 4.15, if an amendment to the Plan or an Option requires Regulatory Approval and/or the approval of shareholders (including Disinterested Shareholder Approval), as applicable, such amendment may be made prior to such approvals being given, but no such amended Options may be exercised unless and until such approvals are given.

6.6 GOVERNING LAW

The Plan will be governed and construed in accordance with the laws of the Province of Ontario.

6.7 EFFECTIVE DATE

The Plan shall be effective on September 30, 2011.

6.8 SUBJECT TO APPROVAL

To the extent a provision of the Plan requires Regulatory Approval which is not received, such provision shall be severed from the remainder of the Plan until the approval is received and the remainder of the Plan shall remain in full force and effect.

The Plan must be approved periodically pursuant to the requirements of the Exchange.

constitutes no more than 5% of the total amount of revenues paid by the Corporation to its external auditors during the fiscal year in which the services were provided; (b) the services were not recognized by the Corporation at the time of the engagement to be non-audit services; and (c) the services were promptly brought to the attention of the Committee and approved, prior to the completion of the audit, by the audit Committee or by one or more members of the Committee to whom the Committee may delegate authority to grant such approvals;

In 2000, Charles Spackman was a director and indirectly a substantial shareholder of Littauer Technologies Co., Ltd. ("**Littauer Technologies**"), an internet holding company which was listed on the Korean Securities Dealers Automated Quotations market in Korea. Littauer Technologies, one of the largest companies in Korea in terms of market capitalisation at the time, was investigated by the Korean regulatory authorities in connection with its approximately US\$1.34 billion merger (the "**Merger**"), with AsiaNetCorp Inc ("**AsiaNet**"), a privately-held Hong Kong-based internet holding company, in July 2000. Mr. Spackman was a director of and indirectly a substantial shareholder in AsiaNet. At the time, the Merger was one of the largest cross-border mergers and acquisitions transactions in Korea and the Merger received significant media attention. The media attention on the complexity of the Merger resulted in an investigation of the Merger and Littauer Technologies by the Financial Supervisory Services ("**FSS**") to determine if there were any regulatory violations in the transaction process. From November 2000 to February 2001, the FSS questioned and investigated all directors (including Mr. Spackman), certain officers, and certain significant shareholders of Littauer Technologies in connection with the Merger. After the questioning of Littauer Technologies' directors and officers, the FSS did not take any legal action against any of the directors or officers of Littauer Technologies, but filed a "Request for Investigation" with the Seoul District Prosecutors Office ("**SDPO**") to further investigate certain matters involving the affairs of Littauer Technologies, none of which involved Mr. Spackman personally. Mr. Spackman was informally called in for questioning three times, once by the FSS in December 2000 and, subsequently, by the SDPO on two occasions.

Rok Heo, a director of AsiaNet, was found guilty of verbally offering to grant to employees of Hyundai Securities Co Ltd ("**Hyundai Securities**") warrants to purchase shares in AsiaNet equivalent to 3.0% of the placement amount raised by Hyundai Securities from the subscription of shares in AsiaNet by investors. These warrants were actually issued by AsiaNet to Hyundai Securities (not in the names of the employees) pursuant to the engagement agreement between AsiaNet and Hyundai Securities dated 15 December 1999. He was also found guilty of violating the Korean Securities Exchange Act by failing to file a registration statement with the Financial Supervisory Commission of Korea in connection with the offer and sale of shares in AsiaNet. In October 2002, the Supreme Court upheld Rok Heo's convictions and his 10-month prison sentence, which was suspended for two years.

As a result of Rok Heo's conviction, in March 2003, Mr. Spackman, by his association with AsiaNet as a director and indirectly its largest single shareholder, was fined KRW40.00 million (approximately US\$40,000**Error! Bookmark not defined.**) in a summary order without trial by the Seoul District Court for violating the Korean Act on Aggravated Punishment, etc., of Specific Economic Crimes and the violation of the Korean Securities Exchange Act for:

- indirectly offering, through Rok Heo, to grant to employees of Hyundai Securities warrants equivalent to 3.0% of the placement amount raised by Hyundai Securities from the subscription of shares in AsiaNet by investors in September 1999. The promise of granting money to an officer or employee of a financial institution for his/her duty is a violation of the Aggravated Punishment, etc., of Specific Economic Crimes Act; and
- by failing to file a registration statement with the Financial Supervisory Commission of Korea in connection with the offer and sale of 4,148,583 shares in AsiaNet equivalent to US\$16,398,412 in total from 116 subscribers between July 1999 and 29 December 1999.

Despite agreeing to the fine for the above offences, Mr. Spackman maintains he did not commit the offences. Mr. Spackman agreed to pay the fine as he was advised by his Korean counsel, Shin & Kim, that the fine was minor and payment of the fine would conclude the matter. In addition, Mr. Spackman's legal fees and expenses for having to travel to Korea to contest these charges would have far exceeded the KRW40.00 million (approximately US\$40,000**Error! Bookmark not defined.**) fine.

Mr. Spackman maintains that he did not authorise Rok Heo to offer warrants to purchase shares in AsiaNet to Hyundai Securities' employees. As noted above, the warrants were granted to Hyundai Securities and not to the employees of Hyundai Securities.

With respect to failing to file a registration statement, the total number of shareholders included Korean and non-Korean shareholders. It is an offence to sell securities to 50 or more persons in Korea without filing a registration statement. Mr. Spackman maintains that AsiaNet sold shares to less than 30 persons in Korea, which did not require the filing of a registration statement in Korea.

Mr. Spackman maintains that AsiaNet did not violate the Securities Exchange Act because the resulting increase in the number of shareholders in Korea was due to the subsequent transfer of AsiaNet shares by its shareholders to other third parties in Korea, and some shareholders who were funds subsequently distributed their shares in AsiaNet to their shareholders in Korea through an *in specie* distribution. AsiaNet had no knowledge of such shareholders' plans when it initially issued shares to them and had no control over those shareholders' actions.

Shin & Kim, a Korean law firm who represented Mr. Spackman in this case, was engaged to issue a legal opinion on Mr. Spackman's summary order and the civil case discussed below for the purposes of incorporation into the Offer Document. Shin & Kim's address is 8th Floor, State Tower Namsan, 100 Toegye-ro, Jung-gu, Seoul 100-052, Korea. Shin & Kim has given, and has not withdrawn, its written consent to the issue of the Offer Document with the inclusion of the statements attributed to them in the form and context in which they appear in the Offer Document. Shin & Kim opined in an opinion dated 11 April 2014 that *"Even though Mr. Spackman was not directly involved in the above charges, we, as his legal counsel, believed it would be better for him to pay a fine instead of calling for a formal pleading. The fine of 40 million Korean Won was a considerably minor penalty in a case of this kind of charge. In addition, by simply paying the above fine Mr. Spackman was not subpoenaed for a formal trial and this case was closed."*
